Good Morning Lance,

This is a reminder that the Enforcement report (concurrence completed) for Wilcox is due by May 15.

Thanks.

Hi Lance,

Remedial has requested funding to start the RI/FS so the updated enforcement report is needed by May 15, not the May 30 date we discussed earlier. The report should have completed routing by that date and be sure to send Carlene a copy when it's done. Please include status in the Weekly Report and let me know of any issues that you encounter.

Thanks.
